The twinning association of Bierstadt-Terrasson-Theux looks back on 25 years of committed friendship. We have met more than 30 times at Easter, autumn and Christmas markets. Associations, groups, clubs from our town have visited each other, so in a nutshell a friendship has grown among ordinary people.

What would I like to see tomorrow? Rather modestly, that things will go on as they have in the last 25 years. But I do hope that the shared experiences we have achieved will continue to grow and that especially young people will find their way to us and learn about twinning, that twinning our towns may work as a catalyst for a more humane, peaceful and tolerant world beyond religions and ideologies.
